

Why choose Liniar Shiplap Cladding?

Versatile

The ideal alternative to timber-style shiplap or cedar shake cladding without the ongoing maintenance. Liniar Shiplap Cladding can be used in a variety of applications.

Low maintenance

Unlike its timber counterparts, Liniar's PVCu Shiplap Cladding requires no painting, staining or sanding to keep looking new year after year.

Eco-friendly

Made from 100% lead-free materials and fully recyclable, Liniar Shiplap Cladding is a sustainable and environmentally friendly option.

Colour

Liniar Shiplap Cladding is available in four colours from stock on short lead times: white, 7016 Grey, Black/Brown and Rosewood. Other colours are available as specials in larger orders on longer leadtimes.

Safety

For property owners' peace of mind, Liniar Shiplap Cladding is Fire Safety rated D-S3-D1, one of the best ratings for PVCu cladding on the market.

Innovative design

150mm interlocking boards with hidden fixing design provides an elegant finish to any home's exterior.

Perfect match

Made from the same lead-free PVCu as innovative Liniar windows, doors and roofs, installers can now offer a perfect colour match. Four trims are also offered to provide the perfect finish.

Designed by experts

The whole Liniar range is designed, manufactured and tested by a team with over 500 years' experience within the window and construction industries.

British made

Designed and extruded in Derbyshire at the HL Plastics manufacturing plant, which boasts the largest mixing plant in the UK. Continued investment in facilities keeps Liniar at the forefront of innovation.

Guaranteed

All Liniar PVCu profiles come with a 10 year guarantee against cracking, warping or discolouration.

Your Liniar stockist is:
