

Product Warranty

SwitchBoard

10 Year Limited Warranty

Liniar's SwitchBoard decking system, balustrades and steel sub-frame are manufactured using tried and tested formulations from approved suppliers and carry a 10 year warranty from the date of purchase against rot, warping or splitting.

Under normal use and conditions, SwitchBoard decking will remain resistant to colour change from light and weather exposure for a minimum of 10 years – please visit the link below for full conditions.

This warranty is issued in association with our raw material suppliers and based on proven technology for UV stabilised products.

All products must be installed and maintained to Liniar guidelines.

Further details and full conditions can be found on our website at www.liniar.co.uk/warranties.
